ARTICLE 4 / ORDER, ACKNOWLEDGEMENT OF RECEIPT AND DEPOSIT

4.1 Should a Product be unavailable for sale at the time you wish to order or purchase it, we may request that you make a partial or full payment, in advance, of the price to serve as a deposit. The deposit amount goes towards the price of the Product (see clause 4.7). We will be issuing a deposit invoice (with local VAT when applicable) to that effect, to be payable within the timeframe set forth therein. A deposit must always be related to a specific Product indicated in the deposit invoice. **This deposit does not constitute a binding offer or a commitment by us to sell you the Product.** This deposit is only a non-binding expression of your interest in ordering or purchasing the selected Product if it becomes available for order or sale. If we do not receive full payment of the requested deposit in due time, we may cancel the transaction without any further notification.

4.2 Once the deposit is fully paid, we will inform you if or when the Product becomes available for order or sale. Should you at this time still be interested in ordering or purchasing the Product, you may communicate with us to arrange for order or to buy the Product. If the order or sale is not completed within two (2) weeks from the date we informed you that the Product was available, we may refund the deposit without any further notice and put the Product back for order or sale after the two (2) weeks period has expired. If the Product is unavailable, we may also refund the deposit and inform you accordingly.

4.3 We do not accept deposits for certain Products. Upon request, we will confirm if we accept deposits for a specific Product or not.

4.4 Should you make a deposit corresponding to 100% (one hundred percent) of the price of any Product applicable at the time of the deposit payment, we agree not to increase this price despite any potential increase of price applicable between your deposit and the availability of the Product for sale to you.

4.5 Until the actual sale of the selected Product is completed and the ownership and title of the Product is passed to you in accordance with clause 9.1, the transaction may be canceled by you or Audemars Piguet at any time at either party's discretion. Terms and conditions for customized orders or sales are reserved (see clause 1.3).

4.6 Upon cancellation of the transaction, we will put the Product back for order or sale and we shall refund the deposit amount to you as soon as reasonably possible in accordance with clause 11. Under no circumstances shall Audemars Piguet be held responsible for any costs, damages, theft or losses linked to the cancellation of the transaction by either party, even if it has been warned of the possibility of damage, subject to clause 9.7.

4.7 A deposit bears no interest and the amount already paid will be deducted from the price of the selected Product only upon completion of the sale.

4.8 Upon request, we may issue an acknowledgement of receipt should you need such receipt for bank transfer authorization purposes in relation to the payment to Audemars Piguet. This acknowledgement of receipt does not constitute a binding offer or a commitment by us to sell you the Product. Under no circumstances shall Audemars Piguet be held responsible for any claim, liability, cost, damage or loss linked to the acknowledgement of receipt or your use of this document, subject to clause 9.7.

ARTICLE 5 / SALE AND PRICE

5.1 We reserve the right to change the prices of any Product at any time. **Although you may have paid a partial deposit or ordered a Product, the price of the Product remains an indicative and non-binding price subject to change at our sole discretion.** Unless otherwise agreed in writing and subject

to clauses 4.4 and 5.2, the price to be paid for the Product is the price set out in the invoice in local currency at the time the invoice is issued. Should this price be different from the indicative and non-binding price applicable at the time you ordered the Product or paid a partial deposit for this Product, we would inform you of such change before issuing the invoice. You shall expressly confirm if you accept such price change within three (3) business days after being informed. In the absence of any confirmation within this period or if you do not accept the new price, the transaction shall be deemed cancelled.

5.2 The price of certain specific pieces is defined worldwide in Swiss Francs and is based on the then-current exchange rate in local currency of the *Banque Cantonale Vaudoise* (www.bcv.ch) at the time the invoice is issued. Clause 4.4 is reserved.

5.3 We will issue the invoice when the specific Product is delivered to you at our Boutique or AP House or once the Product is ready for shipping to you. The sale contract between you and Audemars Piguet shall be formed once the invoice is issued.

Should you wish for a Product to be shipped to an airport duty-free zone, your flight booking confirmation may also be required for identification and verification purposes. Should you request the Product to be shipped, we reserve the right to charge you separately the shipping and delivery costs (including the insurance costs) and will indicate to you the estimate of said costs. We also reserve the right to refuse shipping certain Products outside the jurisdiction where the transaction takes place.

ARTICLE 10 / PRODUCT EXCHANGE AND RETURN POLICY

10.1 Except if otherwise provided by the mandatory laws of the country where you purchase a Product, no Product may be exchanged or returned without our written consent.

10.2 If the Product is returned for a quality issue that is attributable to Audemars Piguet , the Product will be serviced and repaired free of charge in accordance with clause 12. Should the Product suffer from persistent quality issues, Audemars Piguet may, at its sole discretion, offer you to replace your Product with a Product of the same or a higher value (in which case we will charge you the difference) in comparison to the price you initially paid for the Product.
